

PANEL S9714HC

40 watt LED High CRI panel UGR<19

Application

Low COI suitable for use in hospitals and medical centres to achieve compliance with AS/NZS 1680.2.5

Design Specifications

- Extruded aluminium profile with high efficiency opal polystyrene back diffuser
- Quality white powder coated finish
- High efficiency SMD LED chips UGR<19, beam distribution 100 degree, CCT selectable 3000,4000,5700K
- Integral constant current non-dimmable LED driver, 40 watt
- Cyanosis Observation Index (COI) compliant with AS/NZS 1680.2.5
- High colour rendering with emergency options available

Technical Specification

Model No.	Description	Input (V)	Power (W)	Lumens (lm)	CCT (K)	Body Colour
S9714HC/312CW	LED PANEL HIGH CRI 295x1195 CW	240	40	2800	4000	WHITE
S9714HC/606CW	LED PANEL HIGH CRI 595X595 CW	240	40	3200	4000	WHITE
S9714HC/612CW	LED PANEL HIGH CRI 595x1195 CW	240	40	4000	4000	WHITE
